

Starchasers Engineer

Sheet version 0.10.0

Level _____ Character _____

Experience

Motivators

Tinkerer: Whenever the Engineer spends at least 10 minutes Creating or Modifying a device, they gain 1 Motivation.

Hoarder: Whenever the Engineer disassembles a looted device and keeps some of the parts, they gain 1 Motivation.

Base Abilities

Disassemble Device: As an Extended Action (10 minutes), the Engineer can disassemble a Small device into component parts. See specific Disassembly rules for more options.

Create Device: As an Extended Action (10 minutes or more), the Engineer can create a new, small, custom device. They must have the appropriate Engineering Parts of the appropriate Rarity and Tech Level. The Engineer must roll their Intelligence + Mechanics against the difficulty of the device's Rarity + Complexity and have at least the same number of successes to complete the device.

Identification ○○○○○○
