

Starchasers Scholar

Sheet version 0.10.0

Level _____ Character _____

Experience

Motivators

I Love Studying: Whenever the Scholar spends at least 10 minutes performing research, or Searching or Deduction, they gain 1 Motivation.

Venerable Professor*: Whenever the Scholar spends at least 10 minutes teaching another character a skill, they gain 1 Motivation. Note that the Scholar must possess the Skill with at least 1 rank, and they must be able to communicate with the other character in some way (usually by knowing the same language).

Base Abilities

Photographic Memory: A Scholar can memorize the details anything that they look (Observation) at for at least 1 Action. By spending 1 Motivation, the Scholar can remember anything with photographic detail.

Search Engine Mastery: A Scholar knows how to find the right information quickly. By spending 1 Motivation, the Scholar can add 3 dice to any single attempt to find information through research or Knowledge via the Holonet.

Knowledge: Artifacts ○○○○○○
